

Trace Associates Inc. exists to help you have a great life. Our people work hard to understand your needs and exceed your expectations, because we genuinely care about you and your success.

We are an employee-owned professional services firm specializing in environmental science and engineering advisory across Canada.

**POSITIVE. FUN. HUMBLE. TRUSTING. TRANSPARENT.**

## **Position | Location:** Intermediate Reclamation Practitioner | Edmonton (St. Albert)

### **The Opportunity**

- We are looking for an Intermediate Reclamation Specialist that wants to make a difference with a company that cares about its people.

### **Responsibilities**

- Lead field programs within the reclamation practice area.
- Provide leadership, mentorship, and technical support to junior professionals.
- Build strong relationships with clients, suppliers, landowners/stakeholders, and regulators.

### **Qualifications**

- Graduated from a college or university with a degree or a diploma in a natural resource-based science and eligible for a professional designation from either the AIA, ASPB, CAPF, or APEGA.
- 5-10 years experience working in the reclamation service area.
- At least 2 years of experience supervising reclamation contractors and managing sites.
- Can safely operate vehicles and has a valid class 5 driver's licence.

### **Profile**

- Health, safety, and wellness are critical to you.
- You are positive, humble, caring, genuine, and trustworthy.
- You enjoy work life balance and being a part of a people-focused company.
- You take pride in your work.
- An enthusiastic and positive attitude, with an ability to manage multiple priorities.
- You are organized, adaptable, and have a passion for consistently delivering outstanding work.
- Excellent written and verbal communication skills.

---
