Do you have great working knowledge in environmental management or the Transportation of Dangerous Goods? If so, this role may be for you! Alberta EDGE (Environmental and Dangerous Goods Emergencies) is looking for a Regulatory Compliance Officer to work in their busy office.

Reporting to the Manager, Alberta EDGE, this position is solely responsible for the operation of the 24 hour Alberta EDGE.

The main responsibilities for the Regulatory Compliance Officer are (but not limited to):

- Provide immediate information to Dangerous Goods Inspectors, enforcement agency personnel, industry, government department personnel and other persons on all aspects of the Transportation of Dangerous Goods legislation
- Responds to all emergency calls involving an incident or dangerous occurrence
- Maintaining the Dangerous Goods electronic applications, by inputting, updating or accessing the information in an accurate and timely manner.
- Responds to industry requests by researching and preparing information bulletins to assist industry in moving dangerous goods in compliance with legislation
- Respond to questions or inquiries from DG Inspectors and includes the retrieval of information on regulations, chemicals, companies, incidents and Permits for Equivalent Level of Safety (provincial and federal).
- Process incidents regarding intensive farming on behalf of the Natural Resources Conservation Board (NRCB)

Qualifications

- University Graduation in a physical science field such as Biology, Chemistry, Engineering or equivalent supplemented of at least 2 years of progressively responsible experience in environmental management or the Transportation of Dangerous Goods (TDG)- required.
- Regulatory and Enforcement experience considered a strong asset

Candidates with lesser qualifications may be considered at a lower classification and salary.

Equivalency: Directly related education or experience considered on the basis of:

- 1 year of education for 1 year of experience; or
- 1 year of experience for 1 year of education.
