

WE ARE HIRING

Good things to come.

JOIN OUR TEAM

We are seeking an ambitious, energetic scientist who is looking for part-time hours to grow with us in a role we anticipate will be full-time leader in our organization. Students who are in the latter end of their studies with the right capabilities and can-do attitude are welcome to apply. Note that the rate of pay for this position is reasonable for our current needs however, we are looking for a scientist with an entrepreneurial spirit that is eager to get at the ground-level and develop their career with us as our business accelerates. We are not necessarily looking for someone with a ton of experience who knows all the answers, but certainly someone who has a network and has the drive to find solutions.

For more information, or to submit a cover letter and resume please contact Mandie at mandielopatka@gmail.com or 587-377-6333.
